

“It is ironic that those who till the soil, cultivate and harvest the fruits, vegetables, and other foods that fill your tables with abundance have nothing left for themselves.”

–*Cesar Chavez, Co-Founder, United Farm Workers of America*

“We can choose to use our lives for others to bring about a better and more just world for our children. People who make that choice will know hardship and sacrifice.

But if you give yourself totally to the non-violent struggle for peace and justice you also find that people give you their hearts and you will never go hungry and never be alone. And in giving of yourself you will discover a whole new life full of meaning and love.”

“And God, who supplies seed for the sower and bread to eat, will also supply you with all the seed you need and will make it grow and produce a rich harvest from your generosity...For this service you perform not only meets the needs of God’s people, but also produces an outpouring of grateful thanks to God.”

--Corinthians (II) 9:10-12

Let Justice descend,
O heavens,
like dew from above,

like gentle rain let
the skies drop it down.

Let the earth open and salvation bud forth;

let justice also spring up!
