

# Toy Drive

for farm worker families

The Youth and Young Adult Network of the National Farm Worker Ministry (YAYA) is an organization that works in solidarity with farm workers.

We will be collecting toys and presents to make the holidays special for children and teens from farm worker families. Donations will be distributed through the Farm Worker Association of Florida and the Alliance of Active Women.

Please donate new or gently used toys for our holiday toy drive. Clothing, canned goods, and books would also be appreciated!

Gift-wrapping is optional, but please include a tag describing your donation and appropriate age group.
